

Ghostly Management Meetings and Incentives:

If you would like to have an incentive weekend or management meeting with a difference how about holding it at the haunted Craig-y-Nos Castle and having your very own ghost tour. The castle is in South Wales set within the beautiful Brecon Beacons and so there are a number of outdoor activities which can also be arranged. This is also a fabulous place for a themed party.

GHOST TOURS –

Conducted by The Paranormal World, the Ghost Tour will cover the entire castle and you will gain an understanding of the history of the castle. Also you will receive training in the use of paranormal investigatory equipment plus get to use it on the tour!

This is an ideal opportunity for you to get an insight into what paranormal investigating is about and to fine tune your psychic skills for the full ALL-NIGHT 'Dusk-till-Dawn' investigations.

Enjoy a round table discussion with the Paranormal World Team afterwards, in the warm and cosy Patti Bar. Here you will get to meet (in person no less) the awesome chief paranormal investigator Mr. Steven Graham, with whom you will be able to discuss your experiences on the Tour.

You will get basic training on paranormal investigatory equipment such as EMF meters, Negative Ion Detectors & Canums.

MOST HAUNTED AT CRAIG Y NOS CASTLE

Screening of the filming and paranormal investigation session by 20 investigators from Living TV's 'Most Haunted' crew took place at 21.00 hrs 30/03/2004. Between 1 million and 1.5 million viewers tune in to Living TV's "Most Haunted" we are told. The program featured several unexplained noises, breathing, and the Most Haunted crew were clearly very shaken by their experience (shame about some of the language though).

The feedback we DID manage to obtain from the very friendly crew AFTER their all-night filming included the following comments: "very active", "enough material here for a whole series", "We think we have a scoop".

Accommodation

Craig Y Nos Castle offers luxury double en-suite rooms along with family apartments and budget accommodation so all needs are catered for.

Meeting Rooms

The Castle has a number of meetings rooms which can be used from 2 to 200 delegates.

Let us know your dates, numbers, budget and general requirements and we will put together a ghostly proposal for your incentive, management meeting or dinner.
